

BSEL 2017-18 Classes & Enrichment Programs

This chart displays BSEL’s Classes and Enrichment Programs that are available at each class level for the 2017-18 school year. Please see below for descriptions about each of the Enrichment Programs. Please don’t hesitate to contact Mrs. Musick with any questions you may have regarding class placement or our enrichment offerings.

Lunch & Learn – After a relaxing and social lunchtime, the children will discover why this world is a pretty amazing place! Students engage in a variety of activities related to a particular theme. Current year themes include: Learning with Legos, When I Grow Up, Animals & Habitats, Sign Language, Exploring in the Kitchen. Class meets 11:30-1:30 on Wednesdays for a five-week session.

Fun Fridays – Students stay from 11:30-12:30 on the Fridays for socialization during lunch and then enjoy a variety of games using both fine motor & gross motor skills. You may sign up for just one time or for every Friday throughout the entire school year.

Creative Kids – The emphasis of this class is fun and creativity in a relaxed, less structured atmosphere. Children participate in a variety of crafts, cooking projects, experiments and imaginary play, based on fascinating themes throughout the school year. This class meets 9:00-11:30 every Thursday throughout the entire school year. This additional day brings a new element of learning fun to your child’s week.

STEAM – Science, Technology, Engineering, Art & Math. Each class begins with a lunch followed by hands on experiments, exploratory activities and guided learning that is sure to pique your child’s curiosity about the sciences and art. Current year themes include: Earth Explorers, Our Sky, Holiday Fun, Dino Days, On the Go and Curious Crawlers. STEAM meets 11:30-1:30 on Tuesdays for a five-week session.

Extended Day – Children enjoy special social time for lunch with fellow Pre-K students and teachers. The focus of this extra time together is spent expanding on BSEL’s core curriculum. A variety of activities, puzzles, games, books, special projects and creative thinking will be used to reinforce your child’s classroom lessons. This class meets 11:30-1:30 every Monday and Wednesday, throughout the entire school year.
