

# BSEL 2017-18 Classes & Enrichment Programs

BSEL is excited to announce our Enhancement Programs for the upcoming 2017-18 school year. This chart displays all our current classes (with our NEW Toddler Time) along with the Enrichment Programs that are available at each class level. Please don't hesitate to contact Jen Elmore with any questions you may have. We look forward to another fun-filled year of learning and growing with you and your child.

**Parent's Name:** \_\_\_\_\_ **Child's Name:** \_\_\_\_\_

\_\_\_ **Toddler Time** – Begin your young child's love of learning with this NEW Program. You or a caretaker will spend 1.25 hours once a week with your child, enjoying free play, circle time, music, story, snack and craft time. This class provides the very young child with a delightful opportunity for socialization and an introduction to preschool. More details about this program and themes for each of the sessions will be mailed to you in August. Class meets on Wednesday, 10:00-11:15, \$100/ten-week session, three sessions throughout the school year.

\_\_\_ **Lunch & Learn** – After a relaxing and social lunchtime, the children will discover why this world is a pretty amazing place! Students engage in a variety of activities related to a particular theme. Details about our exciting new themes will be mailed to you in August along with registration information. Class meets Wednesday, 11:30-1:30, \$100/five-week session, five sessions throughout the school year.

\_\_\_ **Fun Fridays** – Students stay or come before their afternoon class from 11:30-12:30 for socialization during lunch and then enjoy a variety of games using both fine motor & gross motor skills. You may sign up for just one time or for every Friday throughout the entire school year. Details about registration will be sent out in August. \$10/week.

\_\_\_ **Creative Kids** – The emphasis of this class is fun and creativity in a relaxed, less structured atmosphere. Children participate in a variety of crafts, cooking projects, experiments and imaginary play, based on fascinating themes throughout the school year. Class meets 9:00-11:30 every Thursday throughout the school year, \$55/month.

\_\_\_ **STEAM** – Science, Technology, Engineering, Art & Math. Each class begins with lunch followed by hands on experiments, exploration activities and guided learning that is sure to pique your child's curiosity about the sciences and art. More details about this program and themes will be mailed to you in August. Class meets Tuesday, 11:30-1:30, \$100/five-week session, six sessions throughout the school year.

\_\_\_ **Extended Day** – Children enjoy special social time for lunch with fellow Pre-K students and teachers. The focus of our extra time together is spent expanding on our core curriculum. A variety of activities, puzzles, games, books, special projects and creative thinking will be used to reinforce your child's classroom lessons. Class meets 11:30-1:30 every Monday and Wednesday, throughout the school year, \$100/month.
