

Brandywine School of Early Learning's NEW program for toddlers...

What: This class is designed for toddlers **AND** their caretakers. Begin your young child's love of learning with this unique opportunity to bond with your toddler while sharing in their first experiences at preschool. Children are exposed to the classroom setting and become familiar with many components of the typical day at preschool including circle time, snack, crafts, music, and free play. This class provides the very young child with a delightful opportunity for socialization and an introduction to preschool. Each class has a new theme (animals, colors, counting, etc.) and includes plenty of fun and learning! All caretakers are welcome, including parents, grandparents, nannies, etc.

Who: Toddlers age 17 months old by 9/1/17 are eligible to participate. Our experienced teachers use their creativity, enthusiasm and passion for teaching to ensure you and your toddler will look forward to this class each week.
